

Xunlei Donates Fund to Aid Flood Victims in Central China

Media Report

Posted on July 21, 2021 *Source: Xunlei Homepage*

Recently Henan province in central China experienced torrential rainfall, resulting in heavy flooding in the region. This kind of extreme weather was rarely seen in the last 100 years and led to severe property damages and dozens of fatalities and missing people. Xunlei contacted Henan Charity General Federation and donated RMB 5 million to aid the flood victims. The company is closely following up on the latest developments and sends its condolence to the families of the victims.
