RISE makes headlines as the largest tech conference in Asia, attended by the world's leading companies, news media, investors and startups. Blockchain and cloud company Xunlei's CEO, Lei Chen, spoke at the RISE tech conference this week in Hong Kong about the future of Sino-US technological innovation and blockchain technology.

RISE this year is expected to attract 15,000 attendees, over 350 speakers, and more than 700 hundred journalists. High profile speakers at this year's event include Microsoft's President, Amazon's CTO, LINE's CEO, the Head of Mercedes-Benz Cars and Hong Kong Chief Executive Carrie Lam.
